Please check whichever repair option applies

Minor Repair

Up to 3 Splices

\$19.95

Standard Service Time: 2-3 Weeks

Major Repair

Up to 3 Splices and Shell Replacement

\$39.95

Standard Service Time: 2-3 Weeks

Tape Repair and Transfer Combo

Send your tape in for a Video Tape Transfer at \$19.95 and we'll make any necessary repairs for an additional \$10.99 - Plus, you receive a free copy of your DVD complete with a Vinyl Case featuring Thumbnail Scenes printed on the cover, Motion Thumbnail technology for quick scene selections and a title printed on your DVD.

\$10.99
+ 19.95 Video Transfer

Standard Service Time: 2-3 Weeks

Damage due to water, fire, mildew, creased, and/or crimped tapes are not repairable.

We recommend that the repaired tape be transferred to DVD at the time of repair because the repaired tape might break again due to a broken player. Test your player by playing an unwanted or blank tape before playing the repaired tape (Faulty equipment is usually the cause of breakage).
